

New Value Creation Exhibition in Future Monodzukuri International EXPO 2024

Eighty small and medium-sized enterprises (SMEs) from all over Japan will exhibit at the 'New Value Creation Exhibition in Future Monodzukuri International EXPO 2024' with the aim of expanding their sales channels using the expo as a commercial opportunity. Visit the 'New Value Creation Exhibition' to discover SMEs offering innovative products and the best in advanced technology. During the exhibition, free advice will be available to those looking to develop and expand overseas sales channels, and there will also be an 'Osaka-Kansai Expo Zone'. We look forward to seeing you there.
